

SEC. 26. *And be it further enacted,* That for the purpose of providing for its expenses (including depreciation of its property), the Commission each year, commencing with the year 1927, shall prepare an itemized and detailed budget showing the unexpended balance on hand at the beginning of each year of all funds available for payment of its said expenses, the amount of its estimated expenses of each class during the coming year, and finally the amount necessary to be raised by local taxation as provided in this Section for the purpose of meeting said estimated expenses, together with a detailed statement of the assessable basis within each Sanitary District, said Board of County Commissioners are hereby authorized, empowered, directed and required to levy and collect all road taxes within each Sanitary District, and shall pay over from said road tax so collected to the Sanitary Commission the amount necessary to meet the expenses of said Commission as shown in said budget, not exceeding two thirds of all said road tax, and shall pay over said amounts quarterly in as nearly equal instalments as possible. The Board of County Commissioners are hereby authorized and empowered to advance to the Commission on open account, amounts not exceeding \$5,000.00 in any one quarter of any year, which amounts shall be charged against said road tax and finally deducted from the same when the tax is collected.

SEC. 27. *And be it further enacted,* That the same road tax rate fixed by the County Commissioners for the Election District in which said Sanitary District is located shall be the road tax for that Sanitary District. The County Commissioners of Anne Arundel County and the Treasurer of said County shall collect said road tax as other County taxes are collected and the Board of County Commissioners shall thereupon pay over to the Commission so much of said tax as may be needed to defray the Commission's expenses as provided in Section 26, at the end of each quarter beginning with July 1, 1927. The said County Commissioners are hereby empowered, authorized and directed to assume full jurisdiction over all roads and streets within said Sanitary District, and shall be responsible for the construction, repair and maintenance of the same, and the Sanitary Commission shall be relieved of any liability for damages resulting from the bad condition of any road or street in any of the Sanitary Districts. The Commission shall convey forthwith to the County Commissioners all its right, title and interest in and to the beds of all such streets, roads and highways.

SEC. 28. *And be it further enacted,* That the Commission shall be, and it is hereby authorized to prescribe all needful
