

herein, the County Commissioners from the Fourth and Fifth Commissioner Districts shall in addition to their salary as County Commissioners, receive the sum of Twelve Hundred Dollars (\$1,200) per annum. If either of the County Commissioners from the Fourth or the Fifth Commissioner Districts shall devote his entire time to the performance of his duties as County Commissioner and under this Act such Commissioner, in addition to the salary received by him as County Commissioner, shall receive the further sum of \$1,800 per annum, provided however, that in such case the \$1,800 per annum shall include the \$1,200.00 additional compensation to be received for maintaining daily office hours. The attorney to the Board of County Commissioners shall, in addition to the salary paid him as attorney to the Board, receive for services performed by him under the provisions of this Act, the further sum of \$1,000 per annum. All salaries paid under the provisions of this Act shall be charged to the Administrative Fund created under the provisions of Section 6 of this Act.

SEC. 8. *And be it further enacted,* That whenever in its judgment, the public health, safety or comfort requires it, the Board of County Commissioners is hereby authorized and empowered to grade, construct, reconstruct, pave or otherwise improve any street, side-walk, alley or public highway or parts thereof at such time and to such extent and of such materials and in such manner as they shall by ordinance provide. The total cost of the construction of gutters and side-walks shall be charged as a benefit against the abutting property found to be specially benefited as hereinafter provided. The total cost of the construction, paving or other permanent improvement of roads or highways, shall be assessed against the abutting property found to be specially benefited as hereinafter provided, and provided further that such property is classified as agricultural or as undeveloped in accordance with the provisions of Section 11, of this Act, but in the event that the abutting property found to be specially benefited is classified as residential, whether improved or unimproved or as industrial in accordance with the provisions of said Section 11 of this Act, then one-half of the total costs of the construction, paving, or other permanent improvement, of roads or highways shall be assessed against such property so benefited and so classified and the other half shall be paid from District-wide taxation or the proceeds of the sale of District-wide bonds as may be determined by said Board of County Commissioners, and the total
