

471. The Baltimore County Roads Engineer shall give bond to the County Commissioners of Baltimore County conditioned upon the faithful discharge of his duties and the protection of said County Commissioners against loss or damage by reason of any act, default, neglect, false or fraudulent statement of his whatsoever in the penal sum of \$10,000. He shall have no pecuniary interest in the affairs of any person, company or corporation from whom or which he makes any purchase or with whom or which the County Commissioners make any contract, in respect to county roads and bridges, or in any contract in relation to the same. The Baltimore County Roads Engineer shall receive a salary, the amount thereof to be fixed by the County Commissioners of Baltimore County, and traveling expenses to be determined by said County Commissioners.

Approved April 1, 1927.

CHAPTER 185.

AN ACT to ratify and approve the sale heretofore made by the Commissioners of Aberdeen to the Northern Maryland Power Company of the electrical distribution system in the Town of Aberdeen, in Harford County, Maryland, consisting of poles, cross-arms, insulators, transformers, meters, etc., and authorizing the said Commissioners of Aberdeen to confirm the conveyance and transfer of said property to said Northern Maryland Power Company by the execution and delivery of proper instruments of writing for that purpose.

WHEREAS, By Chapter 136 of the Acts of 1892 of the General Assembly of Maryland, the citizens of Aberdeen and its vicinity in Harford County were constituted a body corporate by the name of "The Commissioners of Aberdeen"; and

WHEREAS, The said Commissioners of Aberdeen thereafter acquired and constructed an electrical distribution system in said town of Aberdeen for the purpose of distributing electrical current to the residents thereof, the same consisting of poles, cross-arms, wires, insulators, transformers, meters, etc., which entire system was for a number of years owned and
