

## CHAPTER 231.

AN ACT to authorize and empower the County Commissioners of Anne Arundel County to appoint two discreet persons to be building inspectors and to give permits for the construction and repair of buildings in said county, and providing for their duties, powers and compensation.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the County Commissioners of Anne Arundel County are hereby authorized and empowered to appoint two discreet persons to be building inspectors and to give permits for the construction and repair of buildings in said county.

SEC. 2. *And be it further enacted,* That all persons, firms or corporations shall, before erecting, constructing, or remodeling any building in said Anne Arundel County where the actual cost of such construction or remodeling shall exceed the sum of One Hundred Dollars (\$100), said person, persons, firm or corporation shall make application to the building inspectors for a permit to erect, build, re-construct or remodel any building within the limits of said county. The application for the permit to build shall set forth in detail the location of the land and the size and approximate cost of the building. That said building inspectors shall be entitled to charge and receive the sum of Two Dollars (\$2) for each permit so issued and the money received by said building inspectors for the issuing of said building permit shall monthly be paid over to the County Treasurer and by the County Treasurer paid over to said building inspectors after the County Commissioners have carefully audited said bill. That the permit so issued shall set forth the location of the land upon which the said building is to be located together with a description of the character of the proposed building and the approximate cost of same and said permit shall be issued in triplicate, one to the applicant and one for the building inspector and one to be retained in the files of the office of the County Commissioners. That it is the purpose and intention of this Act to require all persons who contemplate building, altering, constructing, re-constructing, remodeling any and all buildings of any nature, kind and description, before so doing, to obtain a permit from the said building inspectors and if any person, firm or corporation shall proceed in the building, erecting, constructing, re-constructing
