

maintaining and operating the sewerage system and sewage disposal plant provided for under this Act, and they may construct in such street, road or alley or public highway a sewer or any appurtenance thereof, but first must obtain a permit without charge from the proper authorities controlling such street, road or alley or public highway, provided that whenever any State, county or municipal highway is to be disturbed that said highway shall be repaired and left by the Commission in the same, or a not inferior, condition to that existing before being torn up, and that all costs incident thereto shall be borne by the Commission.

SEC. 14. *And be it further enacted,* That upon application to the Commission any property owner, whose property does not abut on a sewer, may have his property connected with the system at his own expense, except that the Commission shall install and pay for the portion referred to in Section 6; and thereafter his property shall be assessed as though abutting on the sewer, provided, however, that said Commission shall have the right at any and all times to treat such property in the same manner as they would a private property, as under Section 11.

SEC. 15. *And be it further enacted,* That any individual, firm or corporation having buildings, conduits, pipes, tracks or other physical construction in, over or under the public roads, streets or alleys of the area served by the sewerage system and sewage disposal plant that block or impede the progress of the sewerage Commission in constructing their sewerage system and sewage disposal plant shall, upon reasonable notice from said Sewerage Commission promptly shift, adjust, move or remove same at their own cost and expense, so as to fully meet the exigencies of the occasion, provided, however, this section shall not apply to the Bel Air Water and Light Co.'s mains.

SEC. 16. *And be it further enacted,* That the Commission and any employee or agent of said Commission shall have the right of entry at all reasonable hours, upon any private premises and into any building within their jurisdiction, while in the performance of their official duties; and any restraint or hindrance offered to such entry, by an owner or tenant or agent of said owner or tenant, shall be a misdemeanor, punishable under Section 17.

SEC. 17. *And be it further enacted,* That every act or omission designated as a misdemeanor in this Act shall be
