

SEC. 4. *And be it further enacted,* That out of the actual cash proceeds of sale of any of said bonds shall be first paid the cost of printing and other outlays connected with their issue, and the balance of said actual cash proceeds of the sale of said bonds shall be deposited by the County Treasurer in interest-bearing accounts in such bank or banks as the County Commissioners may designate. Said balance of the actual proceeds of the sale of any of said bonds shall be used and expended for the purpose of constructing and permanently improving the public roads and highways of Baltimore County, and for no other purposes. Nevertheless, the proceeds of the sale of said bonds may be expended by the County Commissioners of Baltimore County in the discharge of any sums that may be due the State of Maryland for one-half the cost of the construction of lateral roads in Baltimore County by the State Roads Commission under Chapter 508 of the Acts of the General Assembly of Maryland, passed at the January Session, 1920.

SEC. 5. *And be it further enacted,* That such of the proceeds of sale of said bonds which are to be expended for the construction of new roads or the permanent improvement of old roads in Baltimore County shall be expended in the following manner, and in no other manner and for no other purpose:

The annual report or comprehensive plan of road and bridge work of the Roads Engineer of Baltimore County which is required to be submitted by him to the County Commissioners of Baltimore County on or before the first day of December in each year, as provided by Chapter 4 of the Acts of the General Assembly of Maryland, passed at its January Session, 1920, popularly known as the Road Budget, shall contain a plan in writing supplemented by plats if need be, prepared by the Roads Engineer, showing in detail the proposed expenditure of whatever sums may be available through the sale of any of said bonds for the construction and permanent improvement of the Public County roads, naming the roads proposed to be permanently improved or rebuilt, the width and length of the proposed new construction and setting out the general specifications for the proposed work, and said plans shall be so prepared so that every taxpayer of the County may readily see what disposition is proposed to be made of the proceeds of said loans available for the permanent construction
