

tures have been provided for the Commission shall use and expend two-thirds of the residue of the net proceeds received from the issue of 1927, and all of the net proceeds received from the issue of 1928 of said bonds or certificates of indebtedness, with the aid of Federal Funds appropriated for such purpose by any Act or Acts of Congress, for the construction, in the several counties of the State, of such rural post roads as may be selected by the State Roads Commission; and the remaining one-third of the net proceeds derived from the issue of 1927 of such bonds or certificates of indebtedness shall be used, with an equal sum to be raised by the several counties of the State, for the purpose of building such lateral roads, in the several counties of the State, as may be selected by the State Roads Commission together with the County Commissioners or duly constituted road authorities of the several counties. The money expended for such post and lateral roads in each of the said counties to be determined according to the respective road mileage of said counties.

SEC. 7. *And be it further enacted*, That the State Roads Commission shall, immediately after the going into effect of this Act, and not later than May 1, 1927, by using the same ratio which the public road mileage of the respective counties bears to the entire public road mileage in the counties of the State, ascertain each county's proportionate part of the proceeds to be derived from the sale of the bonds or certificates of indebtedness to be dated June 15, 1927, and herein appropriated for the construction of lateral roads, and shall immediately and not later than May 1, 1927, notify the County Commissioners of the several counties of the amount, thus ascertained, which has been appropriated from the proceeds of the sale of bonds to be dated June 15, 1927, to each of the counties, respectively, for lateral road purposes. It shall, thereupon be the duty of the proper authorities of each county to provide, by assessing a tax upon the taxable basis of said county or by borrowing upon the faith and credit of said county or by special assessments and benefits assessed upon the property especially benefited by said road, or by levying a tax upon the property within a special assessment district created for the purpose, or by a combination of two or more of these methods, or by any manner which in their discretion is lawful and equitable, for the raising, during said year, of a sum of money equal to the proportionate amount appropriated to said county as aforesaid. The duty of raising the said
