SEC. 5. *And be it further enacted*, That said Mayor and City Council shall also take into consideration whether or not other parts of Cumberland not included within said Will's Creek Flood District have heretofore been or may hereafter be in danger from floods from the waters of the Potomac River, and are authorized and shall prepare plans for the prevention of such floods, and may employ engineers and counsel for the purpose of preparing and completing such plans, and preparing such legislation and agreements as may be required to put such plans into effect, which said plan shall be known as "The Permanent Flood Prevention Plan."

SEC. 6. *And be it further enacted*, That when said Will's Creek Flood District has been established and said Partial Flood Prevention Plan has been adopted as heretofore provided for, all property included in the part of said District designated by said Partial Flood Prevention Plan, or all property in said District if the whole of said District is included in said Partial Flood Prevention Plan, shall be conclusively presumed to be benefited by the carrying out and putting into effect of said Partial Flood Prevention Plan, unless it be shown that there was fraud or collusion in the adoption of said Plan.

SEC. 7. *And be it further enacted*, That the said Mayor and City Council shall have full power and authority to devise, prepare for, effect, maintain and operate any and all works or improvements necessary or desirable to complete, maintain, operate and protect the said Partial Flood Prevention Plan. They may secure and use men and equipment under the supervision of an engineer employed for that purpose, or other agents, or they may, in their discretion, let contracts for such work, either as a whole or in parts.

SEC. 8. *And be it further enacted*, That said Mayor and City Council of Cumberland, or their employees or agents, including contractors and their employees, and the members of the commission hereinbefore referred to, and their assistants, agents and employees may enter upon lands within the limits of the City of Cumberland or a mile beyond said limits in order to make surveys and examinations to
