

license, date of opening and closing of season, and the creel limit in the area referred to in Section 74 of this Act. Such license shall be void on the 1st day of January of each year following the date of issue. Every licensee, while fishing in the area herein prescribed shall have upon his person the license referred to above and shall also display in a conspicuous manner upon his person a tag or other device bearing his license number. The license must be produced for the inspection of the game wardens, deputy game wardens, sheriffs, constables or other officers or persons demanding to see it. The clerk shall account for the license fees so collected in full without any deductions or commissions, to the Comptroller in the same manner as receipts from the issuance of gunning licenses are now accounted for. The Comptroller shall place the funds so received to the credit of the Conservation Fund to be used by the Conservation Commissioner for the purposes hereinafter provided in this Act.

Sec. 76. *Open Season.* The open season in the area herein described for all fish other than carp and suckers shall be from the 1st day of June to the 15th day of August, both dates inclusive, and then only by means of rod, hook and line. The creel limit on all fish, except trout of all varieties, shall be not over 50 in the aggregate in one day,—no fish smaller than five inches in length shall be taken. The creel limit on trout shall be not over 10 in one day,—no trout under eight inches in length shall be taken. The Conservation Commissioner shall not at any time during the term of the lease herein referred to close to the public any part of the area except he may at his discretion and for the proper propagation of fish close tributaries to the area for their length, not to exceed three at any one time.

Sec. 77. *Unlawful to Hunt Without First Having Complied With Game Laws.* It shall be unlawful for any person to hunt upon the area herein referred to, as prescribed in Section 74 of this Act without having first complied with all the requirements contained and specified in the game laws of Maryland.

Sec. 78. *Cost of Licenses for Boats.* It shall be unlawful for any person to operate any power boat using as fuel gasoline, kerosene or any other liquids or material, except that the Conservation Department may, if it deems it necessary, place
