

threatened breach of such rules or regulations, and said courts shall have jurisdiction to grant such injunction on such allegations being made. A certified copy of any of such rules and regulations shall be deemed proper evidence of the same in any of the courts of this State.

451C. The County Commissioners of Harford County, shall, after this Act becomes effective, annually on or before the first day of January, appoint as County Roads Engineer a man having the degree of civil engineer and experience in bridge and road building, or a man who has had at least ten years' experience in road and bridge building, in a supervisory and executive capacity, in charge of important road and bridge work. The County Roads Engineer shall be directly answerable to the County Commissioners of Harford County for the faithful and efficient discharge of his duties and it shall be the duty of said County Commissioners to remove him from office and he shall be removable from office by them for neglect of duty, inefficiency, dishonesty and for any other cause, matter or thing whatsoever which in the opinion of said County Commissioners necessitates his removal for the better, more efficient or more economical administration of county affairs relating to roads. But the County Roads Engineer shall not be removable from his office by the County Commissioners except after written charges preferred against him and an opportunity to be heard in his defense afforded him. Hearings in regard to removal of the Roads Engineer from office shall be public, and there shall be no appeal from the decisions of the County Commissioners thereon. Whenever a vacancy exists in the office of the Roads Engineer, the County Commissioners of Harford County shall immediately fill the same.

451D. The County Roads Engineer shall be responsible to the County Commissioners for the proper expenditure of all money collected, by levy or otherwise, for county road and bridge purposes. He shall have power to employ so many and such mechanics and laborers as he may think necessary for the proper construction, care and maintenance of the county roads and fix the wages thereof. He shall have power to appoint so many and such assistants, inspectors, foremen and clerks as he may think necessary and to fix their salaries, subject to the approval of said County Commissioners. He shall have power arbitrarily to discharge any of his employees or appointees,
