

comes known and applies for them. The general motor vehicle law, Acts 1927, Chapter 520, Section 178A, relating to the disposition of lost, abandoned and stolen cars, and Chapter 320, House Bill 566 of this session, relating to the same subject in Montgomery County, both provide the proper safeguards in the above respects. I think that Senate Bill 91 does not measure up to the requirements of due process of law.

(Chapter 353, House Bill 503)

This bill provides that if the operator of a car is charged with violating the motor vehicle laws, then the Commissioner of Motor Vehicles shall have no power to suspend or revoke the operator's license unless he has been convicted, except that this shall not be a prerequisite in cases resulting in death. I do not think that this ought to be a condition of the Commissioner's right to suspend or revoke operators' licenses. That ought to depend on the facts of the case, regardless of whether there has been a conviction or not.

#### LICENSE FEES FOR MILK TRUCKS.

(Chapter 149, House Bill 211)

This bill reduces by one-half the license fees prescribed for motor vehicles used exclusively in hauling milk. It appears to involve a discrimination in favor of the haulers of this commodity which the haulers of other commodities do not enjoy, and while some of the operators of milk trucks who may need relief would benefit from the bill, yet much the greater part of the benefit would be received by one large concern, which has not applied for relief and doubtless does not need any.

For these reasons the bill will be vetoed.

#### ITEMIZED ACCOUNTS OF SCHOOL FUNDS.

Chapter 235, House Bill 359, applying to Carroll County, Chapter 381, House Bill 33, applying to Allegany County and Chapter 237, House Bill 295, applying to Anne Arundel County, all require the County Boards of Education to furnish the County Commissioners annually a detailed itemized state-
