

it. The Clerk shall account for the license fees so collected in full without any deduction or commissions, to the Comptroller in the same manner as receipts from the issuance of gunning licenses are now accounted for. The Comptroller shall place the funds so received to the credit of the Conservation Fund to be used by the Conservation Commissioner for the purposes hereinafter provided in this Act.

3. The open season in the area herein described for all fish other than carp and suckers, shall be from the first day of April to the fifteenth day of August, both dates inclusive, and then only by means of rod, hook and line. The creel limit on large and small mouth bass and trout shall not be over ten in one day,—no trout under eight inches in length shall be taken and no bass under nine inches.

The Conservation Commissioner shall not at any time during the term of the lease herein referred to close to the public any part of the area except he may at his discretion and for the proper propagation of fish close tributaries to the area for their length, not to exceed three at any one time, or he may prohibit fishing during the period between one hour after sunset and half an hour before sunrise if he deems it necessary for the proper policing of the area.

5. Any person or persons desiring to maintain a boat shall be permitted so to do, only after having obtained from the Clerk of the Circuit Court of Garrett County an annual license, and paying therefor as follows:

Each row boat, canoe, or sail boat, per annum, \$2.50;

Each row boat, canoe, or sail boat for hiring, per annum, \$5.00;

Each motor boat, per annum, \$5.00;

Each motor boat for hiring, per annum, \$10.00;

together with a fee of twenty-five cents (25c) for each license to the Clerk for issuance of same, said license shall specify the number, name and post office address of licensee, size and kind of boat licensed. Blanks for issuing said licenses shall be supplied to the Clerk by the Conservation Commissioner and countersigned by the Clerk who issues same. The Clerk shall fill out the license in duplicate, one to be given to the licensee and the other to the game warden in charge of the area, who shall register all facts thereon in a registration book to be provided by the Conservation Department for that purpose. The Clerk of Court shall account for the license fees to the Comp-
