

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That subject to the provisions hereinafter set forth the several amounts hereinafter named as "appropriations," or so much thereof as shall be sufficient to accomplish the purposes designated, are hereby appropriated and authorized to be paid to the respective departments, boards, commissions and officers of the State, and to the respective schools and institutions, and for the several purposes specified, for the fiscal year beginning October 1, 1929, and ending September 30th, 1930, and for the fiscal year beginning October 1, 1930, and ending September 30th, 1931, as hereinafter indicated.

SEC. 2. *And be it further enacted,* That every department, board, commission, officer or institution receiving an appropriation hereunder shall notify the Comptroller at least ten days before the end of the fiscal year for which such appropriation is made, whether and to what extent the unexpended balance of such appropriation, if any there will be at the end of said fiscal year, is needed to meet obligations incurred during that year and which will be unpaid at the end thereof. Any unexpended balance of such appropriation, against which there will be no such outstanding obligations at the end of the fiscal year, shall revert to the Treasury of the State at the end of the fiscal year; provided, however, that appropriations for the acquisition of land, buildings, equipment and new construction shall be available for such purposes subsequent to the fiscal year for which the same are made, if approval of the Governor is obtained before the end of such fiscal year; otherwise such appropriation which may be unexpended or unappropriated as above set out shall revert in the same manner and to the same extent as other appropriations.

SEC. 3. *And be it further enacted,* That if any additional funds from any source whatever in excess of the appropriations herein made shall come into the hands of any department, board, commission, officer, or institution of the State, the same may be expended by such department, board, commission, officer or institution, with the approval of the Governor; any such excess not so expended shall revert to the Treasury of the State at the end of the fiscal year in which the same is received by such department, board, commission, officer or institution, unless there shall be an outstanding obligation against the same incurred with the approval of the Governor.
