

which shall show the names and addresses of all such children who are physically handicapped, said census to be taken first in the year 1922 and every two years thereafter. The State Superintendent of Schools may cause the whole or any part of the school census of the City of Baltimore, or of any county, to be retaken at any time, if in his judgment the whole or any part of such census has not been properly or correctly taken. Whenever the State Board of Education shall receive the school census from the County Boards of Education and the Police Commissioner of Baltimore City, the State Superintendent of Schools shall cause to be prepared a list of all physically handicapped children shown therein with their names and addresses, and shall furnish a copy thereof to the State Board of Health.

55. The County Board of Education shall, subject to the direction of the State Superintendent of Schools and to the rules and regulations of the State Board of Education, cause to be taken, under the direction of the County Superintendent, a biennial school census of the children of the county between the ages of six and eighteen years, inclusive, which shall show the names and addresses of all such children who are physically handicapped, said census to be taken first in the year 1922, and every two years thereafter. The County Superintendent shall cause, upon the direction at any time of the State Superintendent of Schools, the whole or any part of the school census of his county to be retaken. A complete record of each such census when so taken shall be promptly furnished by the County Board of Education to the State Board of Education. Whosoever has under his control a child between said ages and withholds the information in his possession from any officer demanding it, relating to the items aforesaid, or makes any false statement in regard to the same, shall be deemed guilty of a misdemeanor and be fined not more than \$20.00.

227. It shall be the duty of the Police Commissioner of Baltimore City, between the tenth and thirtieth day of November in each year, to cause a census, as nearly as possible accurate, to be made by members of the force under his command, of every child from five to eighteen years of age, inclusive, resident in said city. The Police Commissioner shall, for the purpose of taking said census divide the city into such posts, districts, or other sub-divisions as he shall determine. The said census shall give the full name, address, age, color,
