

principal amount of Seventy-five Thousand Dollars (\$75,000.00); and to levy and collect annual taxes upon all the assessable property of said municipal corporation to pay the principal and interest upon said bonds when due; and to use the proceeds of sale of said bonds to pay for certain permanent municipal improvements now, or hereafter to be made; and to authorize the acquiring of the necessary property, real and personal, within the corporate limits of the City of Cambridge, for the making of the said permanent municipal improvements, and ratifying and confirming the acts of the Commissioners of Cambridge in heretofore acquiring certain real estate within the said corporate limits for the making of the said improvements.

WHEREAS, The Commissioners of Cambridge, a municipal corporation in Dorchester County, Maryland, has acquired land and it is necessary to acquire more land for the purpose of making a public park within the corporate limits of the City of Cambridge, in Dorchester County; and

WHEREAS, The said land that has been acquired and land necessary yet to be acquired, all within the corporate limits of the City of Cambridge, is situated along and on the south side of the Great Choptank River, and bounded on the north by the said river and on the east by High Street and the land of the Pennsylvania Railroad Company, and on the south by Water Street, and on the west by Mill Street and the pier of what is commonly known as Winterbottom's Wharf, part of the lands within said bounded area having been purchased by the Commissioners of Cambridge, subject to the ratification and confirmation by the General Assembly, since its last session, and the balance of the land within said area being necessary to be acquired by the Commissioners of Cambridge, in order that a public park may be made, which will be bounded by the aforesaid limits, the making of the said park, requiring that a lot of land now the bottom of the said river, shall be filled in and made firm land; and

WHEREAS, The said park to be located within the said limits, is in about the center of the river shore front of the City of Cambridge, and the making of the public park in this place will promote the health, comfort and general welfare of the people of Cambridge; and
