

the General Assembly of Maryland of 1927, and for the construction of a road from the point where said bridge reaches Kent County at or near Tolchester to meet the State road from Tolchester to Chestertown at some appropriate point, \$480,000, the same to be taken from the issue of February 15, 1930, provided, however, that the \$600,000 of said loan dated February 15, 1930, shall not be issued at all and the said road in this paragraph referred to shall not be built unless, in the opinion of the State Roads Commission and of the Attorney General of Maryland, valid and enforceable contracts with responsible parties shall have previously been made for the construction and completion of the said Chesapeake Bay Bridge, and unless the State Roads Commission is of opinion that the said bridge will in fact be completed within what it considers a reasonable time.

SEC. 7. *And be it further enacted,* That the State Roads Commission is hereby authorized and directed to ask for bids and enter into contracts in the usual form for the construction, widening and extension of the State Roads System of Maryland, and for paving in Baltimore City, as aforesaid, said contracts to be made in the name of the State Roads Commission, and to contain the same provisions now required by law for contracts for roads.

The State Roads Commission is authorized to make deviations from the routes and directions provided above, to the extent that such deviations may be found necessary, in order that the said roads may fulfill their purposes in the most practicable way and at the least cost, and the authority hereby given to construct said roads shall include the right to construct bridges thereon wherever bridges may constitute a proper part thereof.

SEC. 8. *And be it further enacted,* That in case any balance remains to the credit of any of the above projects after the completion thereof, then the State Roads Commission is authorized to apply such balance to any of the other projects herein provided, for the completion of which the said commission finds such balance or balances necessary.

SEC. 9. *And be it further enacted,* That the County Commissioners of the several counties of the State and the Mayor and City Council of Baltimore are hereby respectively directed to levy State taxes for the year 1930 at fifty one-hundredths
