

the immediate preservation of the public health, safety and welfare, and being passed by a yea and nay vote, supported by three-fifths of all the members of the two Houses of the General Assembly, the same shall take effect from the date of its passage.

Approved May 13, 1936.

CHAPTER 114.

AN ACT to add a new sub-title "Alternative Construction of George Washington Memorial Bridge by State Roads Commission," containing new Sections 64P to 64EE, inclusive, to Article 89B of the 1935 Supplement to the Annotated Code of Maryland (1924 Edition), title "State Roads," sub-title "George Washington Memorial Bridge," as said sections were enacted by Chapter 551 of the Acts of the Regular Session of 1933, as amended and supplemented by Chapter 34 of the Acts of the Extraordinary Session of 1933 and by Chapter 535 of the Acts of the Regular Session of 1935; providing for the construction, operation, and maintenance by the State Roads Commission of a toll bridge and approaches thereto over the Potomac River from a point in Charles County at or near Ludlow's Ferry to a point approximately opposite in the State of Virginia near Dalghren and Colonial Beach; conferring powers and imposing duties on the State Roads Commission, authorizing the acceptance of a Federal grant and the issuance of its bridge revenue bonds to pay the cost of said bridge and approaches, the bonds to be payable from bridge earnings without obligation upon the State; making such bonds exempt from taxation; providing for the collection of bridge tolls for the payment of such bonds, and for the cost of maintenance, operation and repair of the bridge; prescribing conditions upon which such bridge shall become free; providing that no debt of the State shall be incurred in the exercise of any of such powers; providing for condemnation; and authorizing the issuance of bridge revenue refunding bonds.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That a new sub-title, "Alternative Construction of George Washington Memorial Bridge by State Roads*
