

without any other proceedings or the happening of any other conditions or things than those proceedings, conditions and things which are specified and required by this sub-title.

64T. *Bonds Not Debt of the State.* Bonds issued pursuant to the provisions of this sub-title shall not be deemed to be a debt of the State of Maryland or a pledge of the faith and credit of said State, but such bonds shall be payable exclusively from the fund herein provided therefor from the tolls and revenues of the bridge, and each bond issued under this sub-title shall so state on its face.

64U. *All Moneys to be Trust Funds.* All moneys received pursuant to the authority of this sub-title, whether as proceeds from the sale of bonds, as grants or other contributions, or as tolls and revenues derived from the bridge, shall be deemed to be trust funds, to be held and applied solely as provided in this sub-title. The Commission shall, in the resolution authorizing the issuance of bonds, or in the trust indenture hereinafter mentioned, provide for the payment of the proceeds of the sale of the bonds and the tolls and revenues to be derived from the bridge to an officer, agency, bank or trust company, who shall act as trustee of such funds and hold and apply the same to the purposes hereof, subject to such regulations as this sub-title and such resolution or trust indenture may provide.

64V. *Trust Indenture.* In the discretion of the Commission, the bonds may be secured by a trust indenture by and between the Commission and a corporate trustee, which may be any trust company or bank having the power of a trust company within or outside of the State. Such trust indenture may pledge or assign the tolls and revenues to be derived from the bridge, but shall not convey or mortgage the bridge or any part thereof. Either the resolution providing for the issuance of the bridge revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as the Commission may deem to be reasonable and proper, including covenants setting forth the duties of the Commission in relation to the construction, maintenance, operation, repair and insurance of the bridge, and the custody, safeguarding and application of all moneys, and may also provide that the bridge shall be constructed and paid for under the supervision and ap-
