

proval of consulting engineers employed or designated by the Commission and satisfactory to the original purchasers of the bonds issued therefor, and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues of the bridge or other moneys pertaining thereto be satisfactory to such purchasers. It shall be lawful for any bank or trust company incorporated under the laws of this State to act as such depository and to furnish such indemnifying bonds or to pledge such securities as may be required by the Commission. Such indenture may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action of bondholders as is customary in trust indentures securing bonds and debentures of corporations. In addition to the foregoing, such trust indenture may contain such other provisions as the Commission may deem reasonable and proper for the security of bondholders. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation, and repair of the bridge.

64W. *Bridge Tolls.* The Commission is hereby authorized to fix and to revise from time to time tolls for transit over the bridge and to charge and collect the same, and to fix by contract with any person, partnership association or corporation desiring the use of the bridge, approaches and appurtenances or any part thereof, for placing thereon water, gas, oil pipe lines, telephone, telegraph, electric light or power lines or for any other purpose, except for tracks for railroad or railway use, the terms, conditions and rates of charges for such use. Such tolls shall be so fixed and adjusted as to provide a fund sufficient with other revenues of the bridge to pay the cost of maintaining, repairing, and operating the bridge, and to pay the bonds and the interest thereon as the same shall become due, subject, however, to any applicable law or regulation of the United States of America now in force or hereafter to be enacted or made. Such tolls shall not be subject to supervision or regulation by any other State commission, board, bureau or agency. The tolls and all other revenues derived from the bridge, except such part thereof as may be required to pay the cost of maintaining, repairing, and operating the bridge and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of the bonds or in the trust indenture, shall be set aside, in accordance with the provisions of such resolution or such indenture, in a sinking fund, which is hereby
