

revenue bonds and from the collection of tolls and other bridge revenues derived under the provisions of this sub-title, shall have authority to accept from any Federal agency grants for or in aid of the construction of the bridge, or the payment of the bonds, and to receive and accept contributions of either money or property or other things of value, to be held, used, and applied only for the purposes for which such grants or contributions may be made.

64AA. *Competing Bridges and Ferries.* So long as any bonds issued hereunder remain outstanding, no bridge for the use of the traveling public shall hereafter be constructed and operated by any county, municipal corporation or political subdivision of the State, or by any person, co-partnership, association, or corporation, and no franchise shall hereafter be granted for the operation of a ferry, within fifteen miles of the location of the bridge authorized under this sub-title.

The Commission is hereby authorized to acquire by purchase or by condemnation in the manner hereinabove provided, and to maintain and operate, all or any ferries then being operated within ten miles of the location which shall be selected for the bridge, and the cost of such ferry or ferries shall be deemed for the purpose of this sub-title to be a part of the cost of the bridge. Nothing herein contained shall require the Commission to maintain or operate any ferry or ferries acquired hereunder but in the discretion of the Commission any ferry or ferries so acquired, with the appurtenances and property thereto connected and belonging, may be sold or otherwise disposed of or may be abandoned or dismantled whenever in the judgment of the Commission it may seem expedient so to do. The Commission may fix such rates of tolls for the use of such ferry or ferries as it may deem proper, subject to the same conditions as are hereinabove required as to tolls for traffic over such bridge. All tolls collected for the use of the ferry or ferries and the proceeds of any sale or disposition of any ferry or ferries shall be used as far as may be necessary, to pay the cost of maintaining, repairing and operating the same, and any residue thereof shall be paid into the sinking fund hereinabove provided for the bonds.

64BB. *Powers Cumulative.* The powers and duties of the Commission hereinabove enumerated in this sub-title shall not be construed as a limitation of the general powers or duties of said Commission. It shall be the duty of the Commission, in addition to the powers and duties enumerated in this sub-title, to do and perform any and all
