

are outstanding, a sum of money sufficient to pay the interest on said bonds, and such further sums as are necessary to retire said bonds upon their respective maturity dates as aforesaid, and shall pay the interest and redeem the bonds therefrom.

SEC. 3. *And be it further enacted*, That the Mayor and City Council of Cumberland shall cause proper advertisement to be made stating the time and place where bids, conditioned as said Mayor and City Council may require, will be opened, for the sale of said bonds as a whole or in parts, reserving unto itself the right to reject any and all bids. Said bids, together with such certified checks as may be required, shall be filed with the City Clerk, and at the time and place advertised, shall be opened by him in the presence of the Mayor and City Council, and if said bids be satisfactory to the Mayor and City Council, it shall sell said bonds, or any part thereof, to the highest bidder or bidders therefor, of whose ability to comply with the terms of sale the said Mayor and City Council, in its discretion, is satisfied.

SEC. 4. *And be it further enacted*, That the Mayor and City Council of Cumberland is hereby authorized and empowered to use the proceeds from the sale of the bonds herein authorized to be issued, or any part thereof, when and as the same may from time to time become available, for the repair, repair and improvement of public property within the corporate limits of the City of Cumberland, damaged or destroyed by the flood of March 17, 1936, and March 18, 1936, or any subsequent flood or floods, to the extent that said Mayor and City Council of Cumberland, in its discretion, may deem necessary, and for all purposes incidental to such repairs and replacements, including, but not by way of limitation, the repair or replacement of streets, alleys, bridges, public buildings, sewers, water lines, and any and all other public works owned or controlled by the said Mayor and City Council of Cumberland which have been or may hereafter be injured or damaged, directly or indirectly, by any such flood; the compensation of those employed in making such repairs or replacements; the payment for surveys and all other work done in connection therewith; and the payment of claims for workmen's compensation arising in the course of the performance of any and all of such work, provided, however, that none of said proceeds shall be used except for public purposes.
