

The proceeds of the sale of any or all of the bonds authorized to be issued hereby shall be expended by the Board of Education of Montgomery County for the purposes and on the projects hereinafter enumerated and in the approximate amounts allocated to each such project, provided, however, that the Board of Education of Montgomery County shall have the authority, in its sole discretion, to re-allocate the amount of funds to be expended on either of such project to the other project whenever it shall appear that the amount of funds allocated to one of such projects is in excess of the actual cost of constructing the same. The Board of Education of Montgomery County is hereby authorized and directed to expend the funds hereinabove referred to on both of the following projects in the approximate proportions allocated to each, subject, however, to the foregoing provisions of this Section:

1. For the purchase of a site for and the construction of a first unit of a junior high school to be located at or near Kensington, Maryland, and for the fixed and educational equipment necessary for said first unit,..... \$160,000.00

2. For the laying out, surfacing and construction of two new streets adjoining the grounds of the Chevy Chase High School to take the place of a portion of Valley Place Street which was closed pursuant to a decree of the Circuit Court for Montgomery County and for the landscaping and surfacing of the school grounds surrounding said school building, \$12,000.00

SEC. 4. *And be it further enacted by the General Assembly of Maryland,* That the Board of Education of Montgomery County shall have the authority to request the County Commissioners of Montgomery County to issue and sell the bonds hereby authorized up to the full amount authorized hereby, notwithstanding said amount exceeds the approximate estimated cost of the projects hereinabove enumerated, the excess proceeds of the sale of said bonds over said estimated cost to be used by said Board of Education of Montgomery County to cover any shortage of funds which may be caused by unanticipated contingent items of cost of said projects or by the excess of the contractor's bid for or the actual cost of said projects over their estimated cost hereinabove set forth. The bonds
