

SUB-TITLE: LANDS FORMED BY CHANNEL EXCAVATION
IN SINEPUXENT AND CHINCOTEAGUE BAYS

27. All lands made or formed by the dumping or depositing of excavated material in the Sinepuxent, Isle of Wight and Chincoteague Bays during the construction or maintenance of the Ocean City Inlet and Channel in said Bays, as well as all land now made or which may hereafter be made or formed by natural causes since the opening of the inlet in August, 1933, between the ocean and the bays, are hereby declared to be natural resources of the State of Maryland and title to the same shall be retained for the use of the Conservation Department, and no patent therefor shall hereafter be issued by the Land Commissioner of Maryland. The Conservation Commissioner is hereby authorized and empowered to use said lands for Conservation purposes in such manner and under such regulations as in his discretion he may deem for the best interest of the State, subject, however, to the approval of the Board of Public Works.

SEC. 2. *And be it further enacted*, That this Act is hereby declared to be an emergency law and necessary for the immediate preservation of the public health and safety, and being passed upon a yea and nay vote, supported by three-fifths of all the members elected to each of the two Houses of the General Assembly of Maryland, the same shall take effect from the date of its passage.

Approved December 15, 1933.

CHAPTER 70.

AN ACT to authorize and empower the Regents of the University of Maryland to accept donations, gifts, grants and devise for and on behalf of said university from individuals, associations, societies, and corporations and from the United States Government, or any duly authorized branch, board, commission, bureau, agency, division, sub-division or department thereof; and to declare this Act an emergency law and make it effective from the date of its passage.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Regents of the University of Maryland
