

The license fee for each and every person, partnership, association or corporation not residing in Harford County, and not having its principal place of business in Harford County, but having its residence incorporation and place of business in any other County in the State of Maryland or in Baltimore City, as the case may be, by whatever means the working outfit for driving, sinking, boring or digging wells may be operated or propelled along or upon streets or thoroughfares of Harford County, shall be twenty-five dollars (\$25.00) per annum, or any portion thereof for each separate well driving, sinking, boring or digging unit working or operating in said County.

The license fee for each and every person, partnership, association or corporation, not residing in the State of Maryland, nor incorporated therein, and not having its chief place of business in said State of Maryland, by whatever means the working outfit for driving, sinking, boring or digging wells may be operated or propelled along or upon the streets or thoroughfares of Harford County, shall be two hundred and fifty dollars (\$250.00) per annum, or any portion thereof for each separate well drilling, sinking, boring or digging unit working or operating in said Harford County, all of which amounts so payable for licenses as hereinbefore set out shall be paid to the County Treasurer of Harford County for the use of Harford County. Said licenses shall expire on the first day of January in each year and shall not be transferable, except, that for the year 1935 the said County Commissioners may prorate all such licenses for the number of months that they shall severally be in force prior to January 1, 1936.

The Board of County Commissioners may revoke such licenses at any time by notice in writing to the address given in the application of the license in question, and if the address has been omitted then by a notice in writing addressed to the Licensee at Bel Air, Postoffice, Harford County, Maryland, whenever it shall appear to the satisfaction of said Board of County Commissioners that the licensee has violated the provisions of this sub-title, or any of the laws of Harford County, relating to the carrying out of the business of well driving, sinking, boring or digging of any kind of wells in said Harford County.

494C. The following regulations and conditions shall be observed by every person, partnership, association or corporation licensed under this sub-section. Each Unit, as aforesaid, working or operating in Harford County shall have the name, address and the number of his or its license
