

members elected to the two houses of the General Assembly of Maryland, the same shall take effect from the date of its passage.

Approved March 7, 1935.

CHAPTER 6.

AN ACT authorizing and empowering the Mayor and Council of Berlin, a Municipal Corporation in Worcester County, to construct a sanitary sewerage system and sewage treatment plant, and to borrow upon the faith and credit of said Municipal Corporation a sum of money not exceeding one hundred thousand (\$100,000.00) dollars; providing for the issuance and amortization of bonds for the purpose of such construction; and authorizing the acquisition of the necessary property, real and personal, that may be necessary for the construction of the said system and plant; and authorizing the said Mayor and Council of Berlin to use excess surplus receipts from the water and light rents for the payment of interest on and the retirement of the bonds hereby authorized; and authorizing said Mayor and Council to provide for sewer rentals and for the levy of additional taxes, if necessary, to provide for the payment of interest on and the retirement of said bonds.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That for the purpose of providing funds for the construction of a sanitary sewerage system and sewage treatment plant for the Town of Berlin, Maryland, the Mayor and Council of Berlin be, and it is hereby authorized and empowered to borrow on the faith and credit of said Town an amount not exceeding in the aggregate one hundred thousand dollars, and to issue and sell serial coupon bonds therefor, which said bonds shall be known as "Berlin Sewer Construction Bonds of 1935."

SEC. 2. *And be it further enacted,* That the said bonds to be issued from time to time under this Act shall be serial coupon bonds, with the privilege of registration as to principal only, issued in such denominations and at such interest rate not exceeding, however, five per cent. per annum, as shall be determined by ordinance of the
