

City, for the location, placing and site upon which to locate a sewage treatment and disposal plant, or for the purpose of maintaining and operating said sewage treatment and disposal plant for the City of Cambridge, and to lease, purchase or acquire rights of way or easements, which may be necessary for laying pipes, or sewers, for the equipping, constructing, installing, maintaining and operating said sewage treatment and disposal plant and intercepting sewers.

WHEREAS, The Commissioners of Cambridge, in Dorchester County, Maryland, are contemplating the building and constructing, installing and operation of a sewage treatment and disposal plant and intercepting sewers for the City of Cambridge; and

WHEREAS, the said The Commissioners of Cambridge, Maryland, have heretofore applied to the United States Government for a loan and grant for the above stated purpose; and

WHEREAS, should The Commissioners of Cambridge, Maryland, decide to install, construct, equip, maintain and operate said sewage treatment and disposal plant and intercepting sewers, it may be necessary for them to acquire, by purchase, lease, gift, or condemnation, certain land or lands, rights of way or easements, within and without the corporate limits of the City of Cambridge, Maryland; and

WHEREAS, should The Commissioners of Cambridge, Maryland, decide to install, construct, equip, maintain and operate said sewage treatment and disposal plant and intercepting sewers, it has been recommended to the said The Commissioners of Cambridge, Maryland, that they acquire approximately seven (7) acres of land, more or less, together with the necessary rights of way or easements, from the Eastern Shore State Hospital, which is owned by the State of Maryland, which said land is located outside of the corporate limits of the City of Cambridge, Maryland, for the purpose of locating a treatment and disposal plant, sludge beds, and necessary piping and other equipment necessary for a sewage treatment and disposal plant and intercepting sewers; and

WHEREAS, it has been agreed by the State of Maryland, through its proper officials, that should The Commissioners of Cambridge, Maryland, or their successors in office, decide to install, construct, equip, maintain and operate said sewage treatment and disposal plant and intercepting sewers, said State of Maryland, through the Board of Public Works of Maryland, or other proper officials, will convey by deed
