

appear that the amount of funds allocated to any such project is in excess of the actual cost of constructing such project as required by the present school construction program, and provided further that the Board of Education of Montgomery County shall have the authority in its sole discretion to determine which of said projects shall be constructed, in whole or in part, with funds loaned or granted by the United States of America or any agency thereof and which of said projects shall be constructed, in whole or in part, with funds realized from the private sale of the bonds authorized to be issued and sold pursuant to the provisions of this Act, and the Board of Education of Montgomery County shall have the authority to readjust the estimated costs of any of the projects hereinafter described dependent upon whether the same are constructed, in whole or in part, with funds borrowed from the United States of America or any agency thereof or whether said projects are constructed, in whole or in part, with funds privately borrowed as hereinabove provided.

The Board of Education of Montgomery County is hereby authorized and directed to expend the funds hereinabove referred to on all of the following projects in the approximate proportions allocated to each, subject, however, to the foregoing provisions of this Section:

1. For the construction of a gymnasium and class room unit at the Western Suburban Senior High School\$235,000.00
2. For the construction of a gymnasium and for the finishing of the third story rooms in the first unit at the Eastern Suburban Senior High School\$105,000.00
3. For the building of the second class room unit at the school on the Fair Grounds in Rockville\$38,000.00
4. For the construction and/or development of athletic fields and playgrounds at the Senior Suburban High Schools..... \$20,000.00
5. For fixed and educational equipment..... \$60,000.00
6. For the building of a class room unit on the new site adjoining the Damascus School..... \$25,000.00
7. For the construction of an additional unit to the Sandy Springs School..... \$52,000.00
8. For the purchase and construction of the land, buildings and educational equipment for a new junior high school on a site near Georgia Avenue and Glen Avenue in Silver Spring.....\$170,000.00
