NO. 9.

A Joint Resolution, requesting the United States Biological Survey not to close or restrict the present open season as to wild fowl in Maryland.

WHEREAS, There have been indications to the effect that the United States Biological Survey would either close or restrict the present open season for hunting wild fowl in Maryland; and

WHEREAS, At present there seems no necessity for either closing or restricting the present open season for the hunting of such water fowl in Maryland, since there seems to be an abundance of such water fowl; and

WHEREAS, The closing, or even restricting, of the present open season for such hunting would work a very severe hardship on a large number of unemployed who have very little, if any, other means of livelihood during such season; therefore be it

*Resolved by the General Assembly of Maryland,* That the United States Biological Survey be, and it is hereby, requested not to close or restrict the open season now authorized by law, for the hunting of wild fowl in the State of Maryland; and be it further
