

*Be it resolved by the General Assembly of Maryland,* That the Public Service Commission of Maryland be and it is hereby requested and directed to investigate the rates charged for electricity for lighting and power purposes in Cecil County, particularly the rates charged by any company or companies which are selling electricity both in Maryland and Pennsylvania; and

*Be it further resolved,* That after making this investigation, if the Public Service Commission should find that the charges for electricity in any or all of the Counties of the Eastern Shore are excessive when compared with such charges made for electricity supplied by the same company or companies in Pennsylvania, or if based upon the actual cost of production, then the said Public Service Commission is hereby requested to establish a reasonable and fair electric rate or rates; and

*Be it further resolved,* That the Public Service Commission should make this investigation within six months after the passage of this resolution.

Approved May 17, 1935.

NO. 23.

Joint Resolution requesting the State Roads Commission and the U. S. Bureau of Public Roads to follow the present highway through Perryville, North East and Elkton in improving the State highway from Havre de Grace to Delaware.

WHEREAS, there have been suggestions that in improving and extending the State highway from Havre de Grace to the Delaware Line, that the towns of Perryville, North East and Elkton be left off of said highway; and

WHEREAS, the locating and construction of a new highway would work undue hardship on the hundreds of property owners who have established their businesses along the present highway; and

WHEREAS, it seems possible that the present highway could be properly widened and improved to take care of the traffic; therefore
