

The foregoing exemption of non-residents shall not apply to operators of motor vehicles or motorcycles who are residents of States which do not require the display of identification markers on the same, nor shall it apply to non-residents of this State who have temporary residences in this State for periods in excess of three months in any year, or to non-residents, engaged in the business of transporting persons or property for hire, wholly or partly upon or over the public highways of this State, over fixed routes, or between fixed termini.

Any resident of another State who shall come to this State and take up permanent residence herein shall be entitled to use the license and identification marker on his, or her motor vehicle, for thirty days, and no more from the time when residence in this State first begins.

Any non-resident operating a motor vehicle in this State contrary to the provisions of this section shall be deemed guilty of displaying a fictitious marker, or operating without a license and subject to the penalties prescribed elsewhere in this sub-title for such offenses in the case of residents.

Any reciprocal agreement which may exist, or be entered into hereafter between the State of Maryland and the District of Columbia, in accordance with the provisions of Section 224 of this Article, shall be subject in every respect to the provisions of this section.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1935.

Approved: May 17, 1935.

CHAPTER 199.

AN ACT to incorporate the Town of Fairmount Heights, North Fairmount Heights, Bryn Mawr, Waterford, part of West Fairmount Heights, part of Weisner's subdivision, and part of Slocum's sub-division, etc., as hereinafter described, in Prince George's County, Maryland; to provide for the Government thereof, and to provide for the submission of this question to the qualified voters of said town for its adoption or rejection; and to provide for the election and succession of Mayor and Common Council of Fairmount Heights, who shall have power to make and enforce rules and regulations for the public health
