SEC. 9. *And be it further enacted,* That before any plumbing, water works, or sewer construction is done in any building, or upon any private property, within the corporate limits of the Town of North East, the person, firm, or corporation doing the same shall first obtain a permit from the said President and Commissioners of North East, and pay therefor such reasonable sum as the President and Commissioners of North East may prescribe. Such work shall be done under and pursuant to such rules, regulations, and requirements as the President and Commissioners of North East may, from time to time, formulate, and subject to such inspection as may be deemed necessary. No connection of any kind shall be made with any water or sewer main, constructed or maintained by said President and Commissioners of North East, without a permit and under such conditions as said President and Commissioners of North East may authorize. Said President and Commissioners of North East shall have the right of entry at reasonable hours to all buildings and premises having any connection with the water supply and, or, sewage disposal system under their jurisdiction, and may order and require such changes in all water and sewer supply connections as they may deem necessary to eliminate improper use of water and sewers. In order to prevent waste of water, said President and Commissioners of North East shall have the right of entry at reasonable hours to all buildings or premises having any connection with the water supply under their jurisdiction, and may order and require such changes in all plumbing, water works, or water connections as they may deem necessary to eliminate leakage or loss of water. No private or semi-public water supply installation intended for the use of two or more buildings or premises shall be constructed in said Town of North East without the person, firm, or corporation doing the work having first obtained a permit from said President and Commissioners of North East and paid a reasonable charge therefor, and such plants shall then be installed, maintained, and operated under such rules and regulations as said President and Commissioners of North East may require or devise. Any violation of any of the provisions of this Section shall be a misdemeanor, punishable under Section 16 of this Act.

SEC. 10. *And be it further enacted,* That for every water and sewer connection, as provided under Section 8,
