

(b) No person shall be permitted to take an examination to act as a demonstrator who shall not have had all the qualifications necessary to become an operator.

(c) No person shall be permitted to take an examination to act as a manager of a beauty shop unless such person shall be at least 18 years of age and has had at least 18 months experience as an operator in a beauty shop or, in lieu of said 18 months experience, 1,500 hours of training at a registered school of beauty culture inclusive of the studies necessary to become an operator, and 6 months experience as an operator.

(d) No person shall be permitted to take an examination for a certificate to teach beauty culture unless such person shall be at least 18 years of age and has had at least two years experience as an operator in a beauty shop or, in lieu of said two years experience, 2,000 hours of training in a duly registered school of beauty culture, inclusive of the studies necessary to become an operator.

### 399. *MANICURING.*

A certificate of registration limited to manicure the nails only may be applied for and granted under all of the terms and conditions of this Act, except that the examination therefor may be limited to such practice only and the required schooling shall be not less than 100 hours or not less than three months practical experience.

### 400. *EXCEPTIONS TO EXAMINATION REQUIREMENTS; PRESENT STUDENTS AND APPRENTICES.*

(a) Any person who has practiced or taught beauty culture or acted as manager of a beauty shop or school of beauty culture, under a certificate, license or permit, for not less than two years in another State, territory, or District of Columbia, or any person who is thus engaged in this State at the time this Act goes into effect, may secure the certificate of registration required by this Act without an examination or compliance with other requirements as to age or education, provided such person shall make application to the Board for registration within 60 days after the effective date of this Act. Such application shall be accompanied by an affidavit on a form to be furnished by the Board, of a practicing physician that the applicant was examined and is free from all contagious and infectious diseases, and the registration fee required by this Act.

(b) Any person studying beauty culture in a school of beauty culture or as an apprentice in a beauty shop in this State at the time this Act goes into effect shall receive
