

all obligations to producers within forty-five days after the receipt of milk; and to secure the prompt payment of all other sums properly required by the Commission to be paid; or

(b) A financial statement showing evidence satisfactory to the Commission to the effect that the applicant is of sufficient financial responsibility to insure payment for forty-five days' supply of milk, and to secure the other payments referred to in the preceding paragraph.

(c) A schedule of the prices now paid to producers from whom milk is to be received for sale in each market by the applicant.

(d) A statement as to the number and location of each distributing plant which the applicant, if granted a license, will operate; and if the applicant has been engaged in business, a statement as to the monthly average number of pounds of milk distributed at each such plant during the preceding year, or part thereof, during which he was so engaged; and if the applicant has not been previously engaged in business; an estimate as to such monthly average to be so distributed during the period of the license applied for.

(D) In the case of each person conducting a retail store such application shall also include or be accompanied by a statement as to the number and location of each retail store which the applicant, if granted a license, will conduct.

(E) In addition to the matters and things required to be included in or to accompany the application for license, provided for by this section, each application shall set forth such other facts and information as the Commission may require in the form of application prescribed by it.

Section 6. (A) Upon receipt of any application for license, or permit filed pursuant to this Act, the Commission shall examine the same and if it finds such application to be in proper form, shall grant a license or permit as the case may be as applied for subject to the provisions of this section and of section 20 of this Act.

(B) The Commission may decline to grant a license, or may condition and limit the granting of a license, or may suspend or revoke a license, wither on its own motion or upon complaint filed with the Commission in writing by any interested person, when satisfied of the existence of any of the following facts:

(a) That the licensee purchasing milk from a producer has without reasonable cause failed to account and make
