

charge, shall be given a public trial before a duly authorized representative of the Board upon at least five days written notice and an opportunity to present testimony and to confront witnesses. After ninety days he may apply to have his license re-granted and this shall be done under satisfactory proof that the disqualifications have been removed.

282F. The Board shall cause to be made and filed with the State Comptroller, on or before the first day of December of each year, a report showing the receipts and disbursements of said Board and the balance in the hands of the Treasurer of said Board, together with a statement of the amount of such balance necessary to be held in the hands of the said Treasurer to meet the expenses of the ensuing year. The Comptroller shall thereupon make and file in his office an estimate of the amount of such balance necessary to be held by said Board for the purpose hereinbefore stated, which sum may be retained by said Board for said purposes, and the balance of said surplus shall be paid by the Treasurer of said Board into the State Treasury.

282G. No barber shop or barber school shall operate unless the owner or manager of said barber shop or barber school shall at all times comply with the following sanitary requirements: Each barber shop or barber school shall have running hot and cold water; each student, journeyman or master barber must cleanse his hands before serving any customer; no cake or solid soaps are to be used for shaving purposes; all shaving mugs must be thoroughly cleansed before re-used; only standard, U.S.P. antiseptics or boiling water shall be used for sterilizing all tools, combs and brushes; no alum in lump or stick form, styptic pencils, powder puffs, finger bowls or sponges shall be used; and clean head rest paper or a clean unused towel for each individual customer.

282H. If a barber in any shop or school has been charged with imparting a communicable disease, the Board shall immediately notify the State or Local Board of Health.

282-I. If a shop or barber school is found unsanitary, the Board shall immediately notify the State or Local Board of Health, and it shall declare said shop or school a public nuisance, and should the proprietor of said shop or school fail to abolish said nuisance within a period of ten days after notice to do so be given by either the State or Local Board of Health, the Board of Examiners, provided for herein, shall be empowered to call upon the aforesaid Board of Health to abolish the aforesaid public nuisance.
