

CHAPTER 394.

AN ACT to add three new sections to Article 39 of the Annotated Code of Maryland (1929 Supplement), title "Fish and Fisheries," sub-title "General Provisions," said new sections to be known as Sections 4A, 4B and 4C, and to follow immediately after Section 4 of said Article, relating to the stocking of certain streams in Garrett County with fish, making a survey of said streams for the purpose of preventing pollution and providing for a closed season for fishing in said streams.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That three new sections be and they are hereby added to Article 39 of the Annotated Code of Maryland (1929 Supplement), title "Fish and Fisheries," sub-title "General Provisions," said new sections to be known as Sections 4A, 4B and 4C, to follow immediately after Section 4 of said Article, and to read as follows:

4A. The Conservation Commissioner is hereby directed to make a thorough survey of the Youghiogheny River and its tributaries for the purpose of determining the amount of pollution in such streams, with a view to eliminating and preventing such pollution. It shall be the duty of the said Conservation Commissioner to make periodic tests of the water in order to detect any possible pollution and to take whatever steps may be necessary to enforce the present law against the pollution of streams.

4B. It shall be the duty of the Conservation Commissioner to stock the Youghiogheny River with bass and rainbow trout from eight to ten inches in length, from a point one mile north of Kendall to a point one mile north of Oakland, and to stock the larger streams tributary to the Youghiogheny River between aforementioned points with brook trout ranging in length from eight to ten inches.

It shall be unlawful to fish in any of said streams for a period of one year from the time the said Commissioner stocks them with fish as herein provided, and thereafter the law regulating the taking of fish in non-tidal waters shall apply.

4C. The Conservation Commissioner is hereby directed to pay for the cost of such survey, for the stocking of the above-mentioned streams with fish, as well as any other necessary expense incurred in connection with the above-
