

without compensation, but they shall be allowed any reasonable expenses incurred in the performance of the duties under this sub-title. The Secretary of said Commission may receive such additional compensation as the Commission may deem just and reasonable, and for which the regulations of the said Commission may provide, provided, however, that the compensation and expense of said Commission shall in no event be paid out of the fund in the State Treasury or become a charge against the State. Said Commission shall meet at least once in each month and shall hold special meetings as frequently as the proper and efficient discharge of its business shall require.

406B. The said Plumbing Commission shall have power to make and adopt such rules and regulations for the enforcement in Anne Arundel County of the provisions of this sub-title and of the plumbing and sanitary laws of the State and for the performance of their duties hereunder, from time to time, as in its judgment may deem necessary. The Commission shall also have power to make such rules and regulations governing the plumbing inspector or inspectors which it may appoint.

406C. The Commission shall appoint such plumbing inspectors as it may deem necessary, who must be licensed plumbers, residing in Anne Arundel County. The compensation of said inspectors shall be prescribed by the said Commission, which compensation shall be paid by the Treasurer of the Commission out of the fees received under the provisions of this sub-title, but in no event shall said compensation be paid by or become a charge against the State or County.

406D. It shall be the duty of the plumbing inspectors to inspect all houses in the course of construction, alteration or repair in Anne Arundel County, which are connected or are to be connected with any public or private sewerage, drainage or water supply system in order to see that the plumbing, drainage and water supply installation and connections thereto conform with the State Plumbing Code and the Health and Sanitary Laws of the State as provided in Article 43 of the Code of Public General Laws. It shall be unlawful for the plumbing inspectors to be engaged or to be financially interested in the plumbing business or the sale of any plumbing fixtures or supplies, or to act as agent either directly or indirectly for any firm so engaged. The Commission shall have full power to remove
