

of any wrong doing, misconduct, want of care or skill, negligence or default on the part of said plumber, his agents or employees, in or about the execution or performance of such plumbing or other work as is contained in this sub-title. The liability of the surety or sureties on any bond given under this Section shall not extend to defects in material and workmanship discovered more than twelve (12) months after the completion of the work.

406G. Every person, and at least one member of every firm and/or officer of every corporation contracting to do work covered under this sub-title shall be a registered and licensed master plumber.

406H. Plumbers will be held responsible for the violation of this sub-title and of the Commission's rules and regulations, either by themselves or their employees. In case of such violation, the license of the plumber may be revoked, in addition to the imposition of such other penalty as may be provided for by law. Any license so revoked may be reissued if the Commission shall so decide, but the same shall be done under the terms and conditions obtaining with respect to new licenses. Permits may be withheld at any time, from any plumber who violates the rules and regulations of the Commission, who performs generally unsatisfactory work, or who refuses to remedy defective work, or to discharge any other indebtedness to the Commission. Bad faith or other unreasonable delays in the performance of work or the failure promptly to respond to official communications shall be deemed a sufficient reason for withholding permits.

406-I. No water, sewer or drain connections shall be constructed, no new plumbing shall be installed, nor shall existing plumbing be added to altered or repaired without a permit from said Plumbing Commission. All applications to do plumbing work shall be filed at the office of the Commission before the work is started and shall be accompanied by a fee to cover the costs of issuing a permit and to cover the costs of inspection of the work. The amount of said fee shall be prescribed by said Commission and shall be determined upon as hereinafter specified. Each application shall be signed by a Master Plumber. In case the plumber who signs the application does not do the work covered by it, notification shall be given and said application approved by the Commission before the work is started. A permit will not be required to repair leaks, pro-
