

thereof, elsewhere in the construction of school buildings or additions to school buildings or the purchase of building or playground sites, then and in such event the said Board of Education may by resolution request the County Commissioners to issue the bonds of said county to pay for such new purposes, provided that the total cost of such new purposes shall not exceed the total of those specific items in Section 2, which the Board of Education has determined not to construct or purchase. In such case, if the County Commissioners concur in the advisability of issuing, such bonds for such new purposes, they shall, by their resolution, order that the same shall be issued and the proceedings thereafter shall be the same as if such new purposes had been originally mentioned in Section 2 of this Act, with the same powers and restrictions. In case the determination of the Board of Education of Prince George's County not to use the funds provided for the purposes specifically mentioned in Section 2, or any of them shall be made after the bonds have been sold, then and in that event, it may by resolution request the County Commissioners to substitute for the specific purposes for which the said bonds were sold, or any of them, the construction of such new schools, or of such additions to schools or the purchase of such building and playground sites as said Board of Education may consider advisable and if the County Commissioners of Prince George's County concur in such changes, or any of them, they shall by a resolution approve the same, and thereupon such new items shall be substituted for the items in Section 2 of this Act, which the said Boards desire to abandon, and the Board of Education shall proceed with these new items in the same manner and with the same powers and restrictions as if the same had been originally mentioned in Section 2 of this Act.

SEC. 7. *And be it further enacted*, That this Act shall take effect on June 1st, 1935.

Approved May 17, 1935.
