

purpose of building, repairing and reconstructing the public roads and bridges in said district. The said County Commissioners may levy such other sum or sums of money as they may deem requisite for building of new bridges and opening new roads and for repairing and reconstructing public roads and bridges in said county, but the levy of such other sum or sums for the building of new bridges or opening of new roads or of repairing and reconstructing of roads or bridges in any particular district or districts of said county shall be solely upon the taxable property of said district or districts wherein will be located the said new roads or bridges and not upon the taxable property of any other district of said county or if old roads or bridges are to be repaired or reconstructed the levy shall be solely upon the taxable property of said district or districts wherein are already located said old roads or bridges and not upon the taxable property of any other district of said county. Except as hereinbefore modified all taxes herein provided for shall be levied and collected as are other county taxes. All of the taxes levied and collected under the provisions of this section shall be disbursed by the said County Commissioners upon the roads and bridges in said county, and in the manner hereinafter provided for and in no other. If in any year the full sum set apart for each district, as in this section provided, shall not be altogether expended in said district then so much as remains unexpended shall be credited to such district for the ensuing year. Provided, that out of the sum levied and collected in the Second Election District, there shall be paid over annually by the County Commissioners to the Commissioners of the corporation of Ellicott City, the sum of two thousand dollars (\$2,000). The Commissioners of Ellicott City shall set aside the said sum of two thousand dollars (\$2,000) in a special fund to be used for repairing, maintaining and building roads, streets, avenues, lanes, alleys, sidewalks and bridges within the corporate limits of Ellicott City; and in the discretion of said Commissioners, for the redemption of any bonds hereafter issued on the credit of said city.
