

SOLICITOR.

106. It shall be the duty of the Town Solicitor to represent the Mayor and Council in all cases brought for or against the said town in the courts of the State, in the Circuit Court or before a magistrate or justice of the peace. He shall prepare all ordinances and examine, supervise, prepare and approve as to form, all contracts, specifications, deeds and all other legal papers of the Mayor and Council. He shall attend to all legal business for the Mayor and Council.

ENGINEER.

107. The engineer of the said town shall be a professional civil engineer, and it shall be his duty to ascertain the established monuments of said town, and from them to extend surveys thereof, and establish others, and to locate, establish and survey all streets and alleys within the territorial limits of said town when so called on or required to do so. He shall maintain the grade of all streets and alleys in said town as have or may be established, and exercise general supervision and superintendence over all work undertaken on the streets, alleys and public squares thereof, make estimates and plans and give instructions as to grading or otherwise improving the same, and with respect to the construction of sidewalks, so as to secure and preserve proper proportions and uniformity in the height and width thereof; and also to superintend and direct the construction of all culverts, bridges, drains, and other improvements projected by the said Mayor and Council; and he shall see that all parties contracting with the said Mayor and Council to do any work as aforesaid, shall faithfully perform their contract, and in event of their failure so to do, it shall be his duty to report the same to the Mayor. He shall also have and exercise general supervision over the construction of all railways which may at any time be constructed through or across the streets of said town, requiring them to conform to the established grade so as not to impede the use and passage of said streets. It shall be his duty, when it shall be decided necessary by the Mayor and Council for the proper execution of any engineering work, to employ such professional or technical adviser and experts as he may deem requisite, subject to the approval of the said Mayor and Council, and he shall perform such other duties as may be prescribed by the Mayor and Council.
