

the owner or contractor will pay all damages which may be sustained by any person or property from such work.

To make all regulations which may be deemed expedient for the promotion of health or suppression of disease.

To regulate the construction of chimneys, smokestacks, hearths, ovens, the erection of stoves and stovepipes, and cause the same to be removed or made secure, when considered dangerous; to compel owners and occupants of public houses and public buildings to make scuttles on the roof thereof with stairs or ladders leading to the same and to compel the erection of fire escapes thereon.

To regulate, authorize and require the inspection of gas pipes, water pipes, plumbing, drainage, sewerage, and electric lines or wires on private property or elsewhere; to compel them to be repaired or made secure by the owner or occupant, and on failure of such owner or occupant to do so, to authorize or require the gas, water or electric current to be shut off from the same until such repairs are made.

To regulate and prohibit the keeping of any lumber yard and the placing or piling of any lumber, wood or other combustible material within the fire limits.

To restrain and prohibit gaming.

To punish and suppress tramps and vagrants by imposing fines or both fine and imprisonment at hard labor, and to abate by appropriate ordinance all nuisances in said town which are so defined by common law, whether the same are herein specifically named or not.

To prevent immoderate or careless riding or driving.

To regulate the use of streets and alleys by vehicles, and designate the kind of conveyances and vehicles which may not use designated streets, which have been improved, together with hours for the use of such streets by certain specified classes of vehicles.

To prevent the encumbering of streets, alleys, squares, sidewalks, and crossings with vehicles, horses or any substance or material interfering with the free use of same.

To regulate the speed of horses, wheeled vehicles, cars, locomotives and all other vehicles.

To regulate and protect all bridges, culverts, tunnels, viaducts, aqueducts, sewers, canals, and hydrants wholly or partly in said town, and to prohibit digging in such streets, alleys or public places, or in any way injuring, disturbing or making holes in the surface thereof.
