RECONSTRUCTION, BETTERMENTS AND ADDITIONS:

To the State Roads Commission 80% of the receipts of the Commissioner of Motor Vehicles and original 2c gasoline taxes after deducting the expense of that department, and of the Traffic Court, the State's appropriation to the Chesapeake Bay Ferries, one-half the appropriation for the purchase of oyster shells and one-half the cost of maintaining the Gasoline Tax Department in the State Comptroller's office; together with the sums received by the Commission from the sale of specifications, rental of properties, sale of new, old and scrap material and miscellaneous items, the amounts hereby named being an estimate only, and it being the intention that this appropriation shall be the whole of said balance, whether the same be more or less than this estimate, and it being further the intention that should the proceeds of this tax and the net income from the Commissioner of Motor Vehicles and Traffic Court exceed the respective amounts herein set forth, then such remainder shall not revert to the general fund of the State, but shall be set over to the use of the State Roads Commission, to be allocated by subsequent legislative action, in like manner as the sums hereby requested; the sums hereby requested to be used for maintaining all roads and bridges on the entire Road System and for Reconstruction, Betterments and Additions to the System:
