

claimant and the employer or his insurance carrier shall each be entitled, at his own expense, to have present at all examinations conducted by the Medical Board, a physician admitted to practice medicine in the State who shall be given every reasonable facility for participating in every such examination. If a physician admitted to practice medicine in the State shall certify that the employee is physically unable to appear at the time and place designated by the Medical Board, the Board shall, on notice to the parties, change the place and time of examination to such other place and time as may reasonably facilitate the examination of the employee. Proceedings shall be suspended and no compensation shall be payable for any period during which the employee may refuse to submit to such examination.

The Medical Board shall, as soon as practicable after it has completed its consideration of the case, report in writing its findings and conclusions on every medical question in controversy. If the date of disablement is controverted and cannot be exactly fixed scientifically, the Medical Board shall fix the most probable date, having regard to all the circumstances of the case. The Medical Board shall also include in its report a statement indicating the physician or physicians, if any, who appeared before it, and what, if any, medical reports and X-rays were considered by it.

32-I. The Medical Board shall file with the State Industrial Accident Commission the records of all proceedings had before the Medical Board, including transcript of the testimony of all witnesses appearing on behalf of the claimant and the employer, together with its own report and findings upon all medical questions involved in the claim. Included in such record shall be the findings of the Medical Board, determining the nature of the disease, the extent of injury and the degree of disability sustained by the claimant.

Upon the filing of the record of the proceedings by the Medical Board, the State Industrial Accident Commission shall send a certified copy of such findings to the claimant or claimants and to the employer and his insurance carrier, if any. In the event that either the claimant or claimants or the employer or the insurance carrier shall feel aggrieved by any decision of the Medical Board, either party may, within thirty (30) days after the filing with the State Industrial Accident Commission of the record of the proceedings before the Medical Board as herein provided, file a petition with the State Industrial Accident Commission, requesting the State Industrial Accident Commission to review the record and the proceedings before the Medical Board. If no petition for review has been filed with the State Industrial Accident Commission within said thirty day period from the filing of the Medical
