

high school building in Prince Frederick, Calvert County, and to that end to authorize and empower the County Commissioners of Calvert County to borrow upon the faith and credit of said County an amount not to exceed Fifty-five thousand dollars (\$55,000.00), and to issue and sell coupon bonds therefor under certain conditions, and to authorize and empower the County Commissioners of Calvert County to levy upon all the assessable property within the corporate limits of said County such taxes as may be necessary for the payment of the bonds hereby authorized to be issued as the same become due and payable and also for the payment of the interest thereon as it becomes due, specifying, however, that said bonds shall not be issued except under certain contingencies.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the County Commissioners of Calvert County be and it is hereby authorized and empowered to design, construct and equip a public high school building in Prince Frederick, Calvert County, Maryland, and to purchase or otherwise provide a site for said building. The construction of said public high school building shall be undertaken through the agency of, and under the control and supervision of, the Board of Education of Calvert County, acting in conjunction with a building committee hereby formed. Said building committee shall consist of Arthur W. Donell, Elizabeth Ann Wilson, Mrs. Joseph O. Lore, John M. Rector, William P. Norfolk, Robert S. Mead and Morgan Bowen, and said Committee shall function in a general advisory capacity to the Board of Education of Calvert County in supervising the construction and equipment of said public high school building. And in addition to its advisory capacity, said Committee shall have final authority in the approving or disapproving of any architectural or other plans prepared for the construction of said building. Said Committee shall also have the power and authority to supervise all expenditures of the funds available for the construction of said public high school building, and no such expenditures shall be contracted for or made by the Board of Education of Calvert County without the final approval of said Building Committee.

SEC. 2. *Be it further enacted,* That in order to provide in part the necessary funds for the construction and equipment of said public high school building, the County Commissioners of Calvert County is hereby authorized and empowered to borrow on the faith and credit of Calvert County a sum of money not to exceed Fifty-five thousand dollars (\$55,000.00) and to issue and sell coupon bonds therefor on the faith and
