

extension, enlargement or amendment thereof or addition thereto, the Commission shall hold at least one public hearing thereon. The adoption of the plan or any part thereof or amendment, extension, enlargement or addition thereof or thereto shall be by resolution of the Commission carried by the affirmative votes of not less than four members of the Commission. The resolution shall refer expressly to the maps and descriptive and other matter intended by the Commission to form the whole or part of the plan, and the action taken shall be recorded on the map, plan or descriptive matter by the identifying signature of the chairman and secretary of the Commission. An attested copy of the plan or any part thereof or any substantial amendment or enlargement or addition thereto shall be certified by the Commission to and filed with the Clerk of the Circuit Court of the County.

SEC. 4. *And be it further enacted*, That the making of the general plan, including its parts, amendments, enlargements, additions and further details, the protection of and the carrying out of the plan, and the exercise of the planning, platting, zoning, subdivision control, mapping and all other powers granted in this Act to the Commission or to the District Council shall be with the purposes of building and accomplishing a coordinated, comprehensive, adjusted and systematic development of the District, the coordination and adjustment of said development with public and private development of other parts of the State of Maryland, and the protection and promotion of the health, safety, morals, comfort and welfare of the present and future inhabitants of the District. In the preparation and making of the plan and the exercise of the zoning, platting, subdivision control, mapping and other powers granted to it in this Act, the Commission may act in conjunction and cooperation with the National-Capital Park and Planning Commission created by Act of Congress approved April 30, 1936, and may enter into such commitments and agreements with the said National Capital Park and Planning Commission as may in the discretion of the Commission seem necessary. The Commission is further empowered to act in conjunction and cooperation with representatives or officers of the United States Government or of the State of Maryland, including the State Planning Commission, the Annapolis Metropolitan Sewerage Commission, the Anne Arundel County Sanitary Commission, or of the county or of any district, municipality or other local or district entity within the county or within the State.

SEC. 5. *And be it further enacted*, That in the performance of the functions and duties of the Commission, any member
