

lowing the date of such notice, such period shall begin six months after the date of removal and end thirty-five days prior to the date of the next subsequent primary or general election. Upon failure to comply with such notice the registration of the voter shall be cancelled and the notice shall contain a warning to that effect.

Upon the appearance of the voter at the office of the Board, he or she shall be examined under oath as to his or her right to be registered in the precinct to which he or she has removed, and, upon the establishment of such right, the new address and the number of the ward and precinct to which the voter has removed shall be entered upon the original and duplicate cards.

In case of removal to another precinct within the city, after such removal has been noted on the registration cards, the original registration cards shall be transferred to the precinct register of the precinct to which the voter has removed. For the purpose of enabling persons to register, transfer, affiliate and change their affiliations in this manner, the Board of Supervisors of Elections of Baltimore City and their registrars shall have the rights and powers of registration officers, including the right and power of administering oaths, as fully as those rights and powers are possessed by the registration officers heretofore appointed under existing law; provided, however, that any person aggrieved by any decision of said Board or said registrars shall be entitled to have said decision reviewed in accordance with the provisions of Section 27 of this Article.

Whenever any person applies for registration in Baltimore City who is a registered voter in any election district or precinct in any county of the State, he or she shall be required, before he or she shall be entered as a qualified voter, to produce and file a removal certificate in the form set forth in Section 39 of this Article, unless such application shall be made in a year in which a general registration shall be held in the county in which such applicant shall be registered.

All persons who apply at the office of the Board for registration or transfer shall be examined under oath as to their names, addresses, age, qualifications as voters and right as such to register and vote in the precinct in which they claim residence.

29-O. Any registered voter who shall remove from the precinct in which such voter is registered, either to another State, to any county of this State, or to another precinct of Baltimore City, shall, within thirty days after such removal, notify the Board of Supervisors of Elections of the date of such removal and of the address to which such voter has removed.
