

168D. Said Board shall meet at least once in each month in Elkton, and shall hold special meetings as frequently as the proper and efficient discharge of its business shall require, and said Board shall adopt such rules and regulations for the examinations of Master Electricians as herein defined, and for the placing, installing and operating electrical wires, appliances, apparatus or construction in, upon and about buildings in Cecil County, and when so adopted, such rules and regulations shall have the same force and effect as if herein contained, and the rules of said Board shall also provide for the giving of timely notice of such meetings to all those who shall have made application for a license as herein provided.

168E. The term Master Electrician, as used in this sub-title, shall be defined as and including any and all persons engaged in business of, or holding themselves out to the public as engaged in the business of, installing, erecting or repairing, or contracting to install, erect or repair electric wires or conductors, to be used for the transmission of electric current for electric light, heat, or power purposes, or mouldings, ducts, raceways or conduits for the reception or protection of such wires or conductors, or to any electrical machinery, apparatus, devices or fixtures to be used for electric light, heat or power purposes. A license of "Master Electrician" issued and in accordance with the provisions of this sub-title shall entitle any such person so licensed to engage in the business of and to hold himself out to the public as engaged in the business of installing, erecting and repairing and of contracting to install, erect and repair any electric wires or conductors, etc., provided, however, that nothing in this sub-title shall apply to any firm or corporation if the person managing and in charge of the electrical work for said firm or corporation is a master electrician licensed under this sub-title.

168F. Before any person shall hereafter engage in the business of a Master Electrician in Cecil County, as defined in this sub-title, and before any person now engaged in said business or any class thereof, shall continue in said business of Master Electrician, such person shall apply to said Board for a license, as herein required, whereupon the applicant shall present himself before the said Board at a time and place fixed by said Board. If the Board shall find upon due examination that the applicant presenting himself has a reasonable knowledge of electricity and the natural laws and functions of electric wires, appliances, and devices for electric light, heat and power purposes, and is possessed of skill and knowledge in all matters appertaining to the business of Master Electrician, as defined in this Act, then the said Board, upon payment of the fee and upon executing the bond herein provided for, shall issue to the
