

or his agents or employees, and an action may be maintained thereon in the name of such owner or real party in interest only, if commenced within one (1) year from and after the date of the installation of the materials furnished or performance of such work or service.

168G. Each and every license issued under the provisions of this sub-title shall be evidence in any court of Cecil County of the business for which the license issued for a period not to exceed one (1) year from the date hereof. All licenses and renewals of same shall expire on the first day of May in each year.

168H. No person granted a license under the provisions of this sub-title shall install or repair electrical wires, conductors or apparatus for electrical light, heat or power purposes after the expiration of said licenses, or after said license shall have been revoked as herein provided, unless the said license or renewal of same shall have been renewed as herein provided; provided, that any person so granted a license under the provisions of this sub-title (unless the said license shall have been revoked as hereinafter provided) shall be granted a renewal of said license without examination of the applicant, provided application is made to the said Board by the holder of such license within the three months preceding the expiration of such license, upon the payment of a fee of Fifteen Dollars (\$15.00) by residents of Cecil County and of Thirty-five Dollars (\$35.00) by non-residents of said County and the said renewal of said license shall be for a period of one (1) year, and any such renewal of such license shall have the same weight as evidence in any court of this State as hereinbefore provided for said original license; provided, also, that one year renewals shall be granted in like manner upon expiration of any renewal of license upon making like application and paying like fee, within three months preceding the expiration of said renewal.

168-I. Said Board shall have full power to revoke for proper cause any license or renewal of same after a full hearing of all parties in interest, and all work installed under this sub-title shall be in accordance with the National Electrical Code.

168-J. Each license and removal of same shall be in force and effect only so long as an approval bond filed with the said Board in accordance with the provisions of this sub-title shall remain in full force and effect, and every such license or renewal of same shall become utterly void and of no effect should any such bond for any reason whatsoever become inoperative or ineffective, regardless of the regular date of expiration of said certificate of renewal.
