

**Teaching Credits.** In considering the qualifications of applicants, engineering teaching may be construed as engineering experience.

**Education Credits.** The satisfactory completion of each year of an approved curriculum in engineering in a school or college approved by the Board as of satisfactory standing, without graduation, shall be considered as equivalent to a year of experience in Section 12 (1) b. Graduation in a curriculum other than engineering from a college or university of recognized standing may be considered as equivalent to two years of experience in Section 12 (1) b; provided, however, that no applicant shall receive credit for more than four years of experience because of undergraduate educational qualifications.

**Work as Contractor.** The mere execution, as a contractor, of work designed by a professional engineer, or the supervision of the construction of such work as a foreman or superintendent shall not be deemed to be practice in professional engineering.

**Non-Practicing Applicants.** Any person having the necessary qualifications prescribed in this Article to entitle him to registration shall be eligible for such registration although he may not be practicing his profession at the time of making his application.

13. **Applications and Registration Fees.** Applications for registration shall be on forms prescribed and furnished by the Board, shall contain statements made under oath, showing the applicant's education and detail summary of his technical work, and shall contain not less than five references of whom three or more shall be engineers having personal knowledge of his engineering experience.

The registration fee for professional engineers shall be twenty-five dollars (\$25.00), fifteen dollars (\$15.00) of which shall accompany the application, the remaining ten dollars (\$10.00) to be paid upon issuance of certificate. When a certificate of qualification issued by the National Bureau of Engineering Registration is accepted as evidence of qualification, the total fee for registration as Professional Engineer shall be ten dollars and 00/100 cents (\$10.00).

The registration fee for land surveyors shall be fifteen dollars (\$15.00), which shall accompany the application.

When a person desires registration both as Professional Engineer and Land Surveyor, the fee shall be twenty-five dollars (\$25.00), which shall accompany application.

Should the Board deny the issuance of a certificate of registration to any applicant the initial fee deposited shall be retained as an application fee.
