

such assessment and may make such deduction from or addition to such assessment, after hearing, as to them may seem reasonable and just.

Before the first day of October the assessment list as corrected shall be transferred in alphabetical order to an assessment book by said Commissioners, and said book shall be the basis for levying all taxes in said town. The Commissioners may provide by ordinance for certain days within each year at which assessment may be corrected; on such days they may sit as a Board of Equalization and Review, and may make transfers and abatements, and increase, decrease or correct any assessment which they may find to be at such time improper. Said Commissioners are authorized to pay said assessors, after each assessment has been completed, a fair compensation for their services, out of the proceeds of the taxes to be levied annually for the general expenses of the town.

353A. The Commissioners of Queenstown shall have full power to contract with any firm, corporation, individual or group of individuals for such period of time as the Commissioners of Queenstown may by ordinance provide, for the introduction in the town of Queenstown of water pipes, mains, pumping stations and reservoirs, for the use of the said Corporation, its streets and alleys, and for the use of the residents of said town of Queenstown and by ordinance to grant franchise to any such firms, corporations, individuals, or groups of individuals to lay water pipes or mains, erect pumping stations and reservoirs for the purpose of supplying said municipal corporations or the residents of town of Queenstown, water; and the ordinances or contracts granting such franchise or franchises shall specifically set out the nature, right and character of same, and no power or right not expressed in the franchise or grant shall pass thereunder, and further the said Commissioners are empowered to fix commercial and domestic rates, methods and standards of installation, incidental to the use and consumption of water from the aforesaid water supply system of the Town of Queenstown, and further the said Commissioners of Queenstown are empowered to fix an additional charge on those individuals, firms or corporations that are connected and purchasing water from the Town of Queenstown and permitting others, firms, corporations or individuals not so connected and purchasing water from the Town of Queenstown, to use same.

353B. The Commissioners of Queenstown shall have full power to regulate the laying, erecting, installation and use
